

You are invited

Translational Metabolomics in Biotechnology and Medicine:

The Scripps Research Institute Metabolomics Symposium
Sponsored by Waters Corporation

MARCH 8, 2018

The Scripps Research Institute
Auditorium at TSRI
10620 John Jay Hopkins Drive
San Diego, CA 92121

The Scripps Research Institute and Waters Corporation invite you to attend the 'Metabolomics in Translational Medicine' symposium to be held at The Scripps Research Institute on March 8, 2018.

Metabolomics and lipidomics are being recognized as key translational technologies that bridge our phenome and precision medicine. This symposium is designed to provide an in-depth review of state of the art technology and industry practices needed to drive discovery research and translational applications forward. This day long scientific program features key opinion leaders in the field and encourages open and comprehensive discussion on state of the technology and future perspectives comprehensive discussions in a collegial setting.

Confirmed speakers include:

- Robert L. Fitzgerald, UCSD, San Diego, CA
- Richard Martin, IBM, San Jose, CA
- David Masters-Moore, Viome Inc.
- Trent Northen, Berkeley Lab/Joint Genome Institute, San Francisco, CA
- Rob Plumb, Imperial College, UK
- Nathan Price, Institute of Systems Biology, Seattle, WA
- Daniel Raftery, University of Washington, Seattle, WA
- Gary Siuzdak, The Scripps Research Institute, San Diego, CA
- Libin Xu, University of Washington, Seattle, WA

Kindly reserve your space at www.waters.com/Scripps by no later than Wednesday, February 28, 2018.

TRANSLATIONAL METABOLOMICS IN BIOTECHNOLOGY AND MEDICINE

PRELIMINARY AGENDA

THURSDAY, MARCH 8, 2018

- 8:00 am Registration and Breakfast
- 9:00 am Welcoming Remarks and Overview
- 9:15 am *Daniel Raftery, University of Washington, Seattle, WA*
- 9:55 am *Robert L. Fitzgerald, UCSD, San Diego, CA*
- 10:35 am Break
- 10:50 am *Nathan Price, Institute of Systems Biology, Seattle, WA*
- 11:30 am *Gary Siuzdak, The Scripps Research Institute, San Diego, CA*
- 12:10 pm Lunch
- 1:15 pm *Richard Martin, IBM, San Jose, CA*
- 1:55 pm *Rob Plumb, Imperial College, UK*
- 2:35 pm Break
- 2:50 pm *David Masters-Moore, Viome Inc.*
- 3:30 pm *Libin Xu, University of Washington, Seattle, WA*
- 4:10 pm *Trent Northen, Berkeley Lab/Joint Genome Institute, San Francisco, CA*
- 4:50 pm Concluding Remarks
- 5:00 pm Adjourn
